Subject: Testimony regarding gun legislation

Please OPPOSE SB16, HP5416
Please SUPPORT the following bills: SB388, HB5415 and HB5412

To the Judiciary Committee,

These proposed bills will not stop juvenile crime (or any crime for that matter). Severe penalties will help stop gun crime.

The Second Amendment to the Constitution of the United States is very brief and very straight forward. "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed."

I view any law restricting gun use or possession as a violation of my constitutional right. If you want to ensure responsible gun use, then criminals using guns must be severely punished.

Please oppose SB16 and HB5416 and support SB388, HB5415, HB5412.

Respectfully,

Paul Stern
